

Editor's Comment:

On studying the manuscript, I observed that

1. The Title is ok and meaningful but can be better.
2. The abstract is related.
3. The Keywords are present.
4. The Introduction is explanatory.
5. The literature review is well written.
6. The methodology is justified.
7. The result and discussion are relevant.
8. The conclusion is comprehensive.
9. The recommendation is understandable.
10. The references are sufficient.

I **recommend** the manuscript entitled "**Selected Taxes And Manufacturing Sector Output In Nigeria**" for **publication**.
